*Now, not going to lie. I made these particular cookies in the picture with believe it or not, BETTY CROCKER bagged Sugar Cookie Mix and Betty Crocker canned icing. My first time ever trying it, but they were awesome and a total time saver for those of you on a time crunch! I then used *Icing Writer Decorating Tube by Wilton* for the black cord. You can find these with the sprinkles!

If you have more time, my Nanny’s homemade Sugar Cookie recipe is amazing. Merry Christmas and Happy Holidays!
