

# Crack Dip

8 ounces cream cheese, softened  
2 cups sour cream (I used light)  
1 1/2 cups shredded cheddar cheese  
6 slices bacon, cooked and crumbled

Preheat oven to 400 F.

Combine softened cream cheese, sour cream, cheddar cheese, and bacon.

(Save some bacon for garnish too.)

Spoon mixture into a 1-quart baking dish and bake for 25-30 minutes, or until cheese is bubbling and hot.

Serve with bread slices, crackers, or nacho's!
