

# Crazy Yogurt Bark

Place wax paper on a cookie sheet and spread with yogurt.

I used 3 Greek Raspberry Yogurts – Feel free to use any kind of yogurt and any flavor.

Then I topped with : Granola, sprinkles, mini marshmallows, gummy bears, M&M's and mini chocolate chips.

Use anything you like. Fresh fruit is always great too topped with granola!

Freeze about 2 hours until frozen solid. Break into bark size pieces and place into a Ziplock freezer bag. Will keep in the freezer for weeks to come.
