

Rice Krispie Ornaments

1/4 C. butter + extra for your hands (you'll need for shaping the Rice Krispy treats into a ball)

1- 10-oz. package marshmallows

6 C. Rice Krispies

Holiday-colored sugar sprinkles

Rolo candy

Toothpicks

Melt butter in a large saucepan. Add marshmallows and stir constantly until well-combined. Add the Rice Krispies cereal. Mix until all of the cereal is coated with the marshmallow mixture.

Butter your hands well, then and shape the cereal into six balls. Make sure they're packed tightly! Acting quickly, roll the balls in colored sugar or holiday-colored sprinkles until coated!

For the top of the ornament, stick a toothpick into one end of a Rolo candy. The other end of the toothpick long goes into the Rice Krispy ornament.
